

Krisztina Mishack, M.D.

BIO

Krisztina Mishack, M.D. was born and raised in Hungary. After graduating from Damascus Medical School, she completed a five-year combined Physical Medicine and Rehabilitation (PM&R) and Pediatric Residency at Rehabilitation Institute of Michigan / Wayne State University in Detroit.

Since finishing her training, she has focused her practice to both the inpatient consultative service at Crittenton Hospital and the rehabilitation of children. This includes the non-surgical care of musculoskeletal, orthopedic and neurological disorders as well as inpatient rehab and consultation services.

She is active in teaching medical students and residents.

She is associate Medical Director of the Rehabilitation Centre at Ascension Providence Rochester Hospital.
